General conditions 2, 3 and 4 below, and General claims condition 1 are all conditions precedent to **our** liability. **We** will not make any payment under this insurance unless **you** comply with all the requirements of those conditions.

General conditions

The following conditions apply to the whole of this **policy**. Any other conditions are shown in the section to which they apply.

- Information – in deciding to accept this insurance and in setting the terms and premium, **we** have relied on the information **you** have given **us**. **You** must take care when answering any questions **we** ask by ensuring that all information provided is accurate and complete.
You must tell **us**, as soon as possible, if there are any changes to the information **you** have given **us**. If **you** are in any doubt, please contact **us**.
When **we** are notified of a change **we** will tell **you** if this affects **your policy**. For example **we** may cancel **your policy** in accordance with the cancellation condition, amend the terms of **your policy** or require **you** to pay more for **your** insurance.
If **you** do not inform **us** about a change it may affect any claim **you** make or could result in **your** insurance being invalid.
- Misrepresentation – if **we** establish that **you** deliberately or recklessly provided **us** with false information **we** will treat this insurance as if it never existed and decline all claims. If **we** establish that **you** were careless in providing **us** with the information **we** have relied upon in accepting this insurance and setting its terms and premium **we** may:
 - treat this insurance as if it had never existed and refuse to pay all claims and return the premium paid. **We** will only do this if **we** provided **you** with insurance cover which **we** would not otherwise have offered;
 - amend the terms of **your** insurance. **We** may apply these amended terms as if they were already in place if a claim has been adversely impacted by **your** carelessness;
 - charge **you** more for **your** insurance or reduce the amount **we** pay on a claim in the proportion that the premium **you** have paid bears to the premium **we** would have charged **you**;
 - cancel **your policy** in accordance with the cancellation condition.**We** will write to **you** if **we**:
 - intend to treat this insurance as if it never existed;
 - need to amend the terms of **your policy**; or
 - require **you** to pay more for **your** insurance.
- Due diligence – **you** must take reasonable steps to prevent accident or injury.
- Premium payment – **we** will not make any payment under this **policy** unless **you** have paid the premium or **we** have paid the costs of a **dental plan** in accordance with section 6 of this **policy**.
- Cancellation – if **you** decide within the first 14 days of taking out this **policy** that this **policy** does not meet **your** requirements, **you** may cancel this **policy** and, provided that no claim has been made, receive a full refund of **your** premium.
After 14 days **you** may cancel the **policy** at any time by giving **us** 30 days written notice. **We** can also cancel the **policy** by giving **you** 30 days written notice at any time.
If **you** do not pay **your** premium **we** will cancel the **policy** after 21 days of non-payment, unless the non-payment is because of **redundancy** for which **we** have accepted a valid claim under section 6.
Cancellation of this **policy** will also cancel **your** membership of **your dental plan**.
- Other insurance – this **policy** does not cover any loss or claim where **you** would be entitled to be paid under any other insurance.
- Governing law – unless some other law is agreed in writing, this **policy** will be governed by the laws of England.
